### **Maple City Glen Lake**

Ted began coaching at Glen Lake Middle School in 1970 where he coached 7th and 8th grade boys until 1992. That was not a big enough job, so he took on the girls' program in 1975 and coached them until 1998 when he retired. Ted coached 29 years, 23 of

those as the girls' varsity coach. His girls won 427 and lost 107, an impressive 80% winning percentage.

Included were 15 League Championships. In the State playoffs he won 12 Districts, 7 Regionals and made the Final Four six times. Glen Lake was the State Runner-Up in 1979 and won the State Championship in 1978.

Ted was Coach of the Year several times, including the Traverse City Record Eagle and WLDR Radio. He was also BCAM's Region 4 Coach of the Year.
