### FRANK BALCER \* Manistee

The Media Hall-of-Honor this year would like to recognize Frank Balcer, the Voice of Manistee. He is currently employed at Kool 101.5, Manistee. Frank has been in the high school sports business so long that he is calling games for sons and daughters of players he called when he first got in the business.

Frank and his wife have been long time supporters of basketball and all athletics at Manistee Catholic Central. Frank served as treasurer of the MCC Athletic Association for many years, working numerous fundraisers for the benefit of the athletic department at the school, ensuring that the athletes had uniforms, equipment and supplies to place a first class sports program on the court and field. He has supported both private and public schools with his gift of voice.
