### **JOHN WILLIAMS**

#### **Reed City High School**

John Williams has been the “Voice of Reed City High School” boys basketball since 1977, girls basketball since 1981 and for football since 1972. Not only has John announced at the high school, he has announced football, basketball and volleyball on the radio. He announces the basketball games on the local cable television station.

John is truly deserving to be named as one of this year’s BCAM Hall-of-Honor recipients as a “Friend-of-Basketball” for his 39 years of service to high school sports.

John and his wife Joan have two daughters and four grandchildren.
