(Note: Each session will be presenting the exact same material, so do NOT sign up for both time slots.)

**By attending these courses, coaches who then register at [USAB.com](http://USAB.com) and pass the USA Basketball background screen can obtain an Associate Coach License. With the completion of a third course online at [USAB.com](http://USAB.com) and the background screen, coaches can earn the USA Basketball Gold Coach License as well as the NCAA endorsement.**

Two time slots are available for coaches to attend these courses, which will last approximately 1½ hours: 9:00 AM and 1:00 PM. These courses will be available at no extra cost for a total of 110 participants only, so please don't sign up unless you are serious about attending. You may choose your preferred session time, but these will be filled on a first come, first served basis, in the order which BCAM receives your registration **and payment** for the clinic.
