

**MARION PIGGOTT**  
***Fowler High School***

When Marian retired from Ionia High School in 1963, it was his third Michigan High School. He also had spent three years at Lyons High School and 27 years at Fowler High School. His teams, overall, had won 353 games, while only losing 123.

While at Fowler, he posted a record of 295 wins and 97 losses. His teams wins included six league championships, eight district titles (10 overall—one each at Ionia High School and Lyons High School), four regionals, two semi-final appearances and one State championship in 1952.

By today's standards, Marion would have been honored several times by his peers and coaches associations for his accomplishments.
