PATRICK McDEVITT

**Adrian
High School**

Pat has coached basketball in the state of Michigan for 35 years. His 400-plus wins tells you he has also coached very well.

From 1964 to 1970, Pat's Flint Holy Redeemer teams won 99 games and only lost 25. In 1966 and 1970, his teams were State Finalists, with his 1970 team winning it all.

After that season, Pat moved his talents to Marysville High School where his teams won the league, two districts and compiled 48 victories and only 15 losses.

Finally, Pat landed in Adrian from 1974-1996, and spent his last 22 years winning numerous championships and Coach of the Year honors.
