

FRIEND-of-BASKETBALL

BILL DUROW

St Clair High School

Mr. Bill Durow has been and still is a great "Friend-of-Basketball". For 32 seasons at St. Clair High School, Bill has handled the book, run the clock, announced and traveled with the teams, helping out in any way he could. Additionally, he has spent the last 6 years as clock manager at St Clair Community College.

Bill's love of athletics shines through. He works both boys and girls seasons. When time, he runs the clock at our sister high school in Marine City. Chairman, Fred Shaw has benefitted from the book he keeps and the attention to detail allows one to review the entire game. Bill has coached baseball and times football and soccer games at many levels. His knowledge and willingness to work makes for smooth running sports events.

In 2007 Bill was inducted in to the Marine City HS Athletic Hall-of-Fame for his work with football and in 2008 was inducted in to the St. Clair HS Athletic Hall-of-Fame for football, basketball and soccer.

In a remarkable 30 year teaching career, he never missed a day of work.
