

FRIENDS-of-BASKETBALL **ANN & CARY HOWARD**

Leslie High School

Ann and Cary Howard from Leslie High form a great husband and wife combination that have been seated next to each other for the last 20 years as scorekeeper and clock operator for both boys and girls basketball. In 2009 the Howards were inducted into the Leslie Blackhawk Hall-of-Fame for the many contributions since their graduations from high school.

The Leslie couple give of their time to countless athletic events, but their dedication to basketball is especially deserving of this special recognition. Cary was inducted into the Football Coaches Hall-of-Fame and Ann has received local and state awards as a Leslie Public Schools support staff employee.

Ann and Cary have three children and 1 new grandchild.
