### ALLEN SCHUCH

#### Sand Creek High School

Allen Schuch from Sand Creek High School has been a basketball staple for the last 35 years. In 1975 he began to keep the clock for the games at Sand Creek. Nine years later he switched to announcing the games and has been the "Voice of Sand Creek" ever since.

Al announces and keeps the book for both boys and girls basketball and also announces the football games. He is the announcer and bookkeeper for girls volleyball and is a registered MHSAA track official.

Allen Schuch is one of those people who help to make athletic events run smoothly. He received the "Volunteer-of-the-Year" for his efforts.

Al and wife, Lorna, have two children and four grandchildren.
