

2013 HALL-of-HONOR INDUCTEE

FRIEND of BASKETBALL

Bob Brown - East Lansing HS

Since the mid-1980's Bob Brown has been keeping the scorebook for the East Lansing boy's basketball program—both JV and varsity. After the girl's season moved to the winter, he started keeping the books for both boys' and girls' basketball and has continued to this day. He will even ride the bus with the teams to the away games and since his retirement from teaching math at ELPS three years ago, has also helped out with practices. He very much enjoys being part of the program, calling it “an exciting ride”.

Additionally, Bob has coached a successful cross country and track program at East Lansing High since 1981 and is an assistant JV basketball coach. He is proud to say that his girls' cross country teams have qualified for States each of the past 10 years. His 2009 girls' track team even won the state title.

Rob Smith nominated Bob for the Hall of Honor and writes, “Bob is an awesome coach and is a better person. He goes above and beyond for our kids and staff.”

Bob has four children: Sarah, Adam, Emily and Molly.
