## MICHIGAN OHIO CLASSIC AT FORD FIELDHOUSE

The sixth annual Michigan/Ohio game will be played in the Gerald R. Ford Fieldhouse in Grand Rapids, June 28, 1991. The girls' all star game will tip off at 6:00 p.m. and the boys' game will follow at 8:00 p.m. This is the first game the game will be held in the Grand Rapids Area. Ohio will host the rematch, in Bowling Green at the same times on June 29.

"We believe Grand Rapids is a very positive sports area for high school sports," said BCAM Executive Director, Ron Vondette regarding the Grand Rapids venue. "We want to raise enough funds to perpetuate the game and have enough to donate to charity. I'm confident that we will be able to establish a game in the area that will continue for years."

BCAM has retained the services of Steve Project of Project Sports Marketing (616) 791-0776 to promote this event. Project has enthusiastically remarked, "Everyone I talked to here has been totally enthralled with the idea... People will have the chance to see the next wave of Big 10 players and professionals."
