

TERRY MILLS: MR. BASKETBALL

Al Schaffer (Grand Haven)

The winner of the Hal Schram "Mr. Basketball" award is 6'10" Terry Mills from Romulus High School. Mills led his team to the 1986 Class A State Championship and set several individual records during his 4 year varsity career. The most prized might be the single game scoring record of 50 points which was held by his uncle John Long of the Detroit Pistons.

His coach, Al Wilkerson, stated that he had discussed with Terry the possibility of his becoming Mr. Basketball when Terry was in the 8th grade. At the press conference held in the Detroit Free Press Building, Monday, March 17th, Mills told of dedicating himself to earning the award. The 6th Mr. Basketball to be named by the BCAM follows in the footsteps of five young men who have proven to be leaders both on and off the court. We congratulate Terry Mills and wish him well as he wears the lifelong crown of MR. BASKETBALL.
