Butler University

Coach’s Comments:

“Anna will leave Rockford High School as the most decorated player in program history. As a fierce competitor, she has proven herself to be a winner. Besides her offensive output, she is also tasked with the responsibility of guarding the opposing team’s best players. This season, she has led her team to become the #1 ranked team in Division 1 MHSAA Power Ratings and #2 in MPR; proving that she has produced her impressive numbers against the toughest schedule in the state. Currently, she holds a 92-7 career record that includes one State Title, 3 Conference Championships, 3 District Championships, 3 Regional Championships, and 3 straight trips to the Breslin. Individually, she has been named All Conference 3 times, BCAM Best of the Best All State 2 times, Associated Press All State 2 times, Detroit Free Press All State, and 1st Team MLive Dream Team for Grand Rapids 2 times. This season alone, Anna has broken almost every school record; career points (1,489), single game points (38), career assists (260), single game assists (8), career free-throws made (336), career steals (200), single season made 3-point shots (76), and single game made 3-point shots (7).

To say Anna has made an impact in Rockford is an understatement; the footprint she leaves is much bigger than the game of basketball. In addition to her impressive career and senior year on the court, Anna will graduate from Rockford as a leader who has inspired our youth. Anna has volunteered countless hours within the community; reading in elementary schools, volunteering on the elementary playgrounds teaching students

basketball skills, coaching youth basketball camps, and helping organize and referee our youth basketball leagues.

Proving to be the best player on the top team in the state, Anna hopes to continue her run with the 4th consecutive trip to the Breslin, topped off with a 2nd State Championship.”
