Team Record 20 wins - 1 losses

College that the Player has committed to OR Colleges interested in Player:

Eastern Michigan University

Coach's Comments:

"It would be very hard to find a person that better represents what a top student athlete is than Alli Zajac. Alli has been a huge reason why Tecumseh basketball is one of the top programs in the state. Over the past four years, with Alli leading the way, we have compiled a record of 81-14, earned our first back-to-back league championships in school history, first regional title in 49 years, and back to back district titles. She has the ability to make everyone around her better. She is not only an amazing student athlete, but she is an even better person. Just looking at her stats, you can't justify the type of player Alli is. Alli's ability to be a leader and her unselfish play, has led our team to a 20-1 record, ranked #2 in D2 with one of the hardest schedules in the state overall, regardless of division. At 6'2", she can score on anyone in the post, but is so versatile that she can play any position on the court. She can hit the deep 3, drive to the basket or hit the pull up jumper. She is usually the focal point of opposing teams defenses and brings the double team on every catch. She does a great job finding an open teammate and making the right reads. She can guard 1-4 position and rebound with the best. She is also a great role model for all our younger student athletes. She volunteers her time coaching 3rd and 4th grade girls, is a MHSAA certified referee for volleyball and basketball and was also a big part of our volleyball team that made it to the state championship this past season. Alli is Tecumseh's All Time Leading Scorer with over 1500 points, All Time leader in 3 pointers made in a season and career, and the All-Time leader in free throws made. It is a great honor for Alli to be a finalist for Miss Basketball not only for her and our team, but also for our Tecumseh community. *– Head Coach Kristy Zajac*
