“Colleena Bryant is a great kid with a passion for basketball. She is the youngest of 6 children and has always been a kid with a huge heart. She stepped on Wayne Memorial's campus and steer headed a team to the final four her freshman year. Not only has she done well state wide, but she is currently the only Adidas All American from Michigan ever and she shared the Backcourt with Sarah Strong (UConn, National freshman of the year candidate) and held her own. She was a McDonald's All American Nominee and off the court she is just as valuable. She has supported several local groups with purchases and also read to an elementary group of kids in Westland. She plays with an unmatched fire and she has been an amazing kid to coach. She has been on the honor roll since arriving in high school, and has never been in trouble for anything off the court. Works out twice a day and really watches basketball to become better at every aspect. I appreciate the voters of Bcam for nominating her, and I appreciate all that has taken time to read this. She is also a signee of Drexel University. Thank you.”
